ORDER

On September 28, 2015, a magistrate judge issued a Report and Recommendation ("Report"), in which he recommended that a default judgment in the total amount of \$13,077.15, consisting of \$6,574.41 in unpaid contributions; \$793.55 in accrued interest; \$1,314.87 in liquidated damages; and \$4,394.32 in attorney's fees and costs be recovered by plaintiffs. The Report placed the parties on notice that any objections had to be filed within fourteen (14) days of receipt of the Report and that failure to file timely objections waived appellate review of any judgment based on the Report. As of October 19, 2015, no objections have been filed.

A review of the Report, case file, and plaintiffs' Motion for Default Judgment with its attachments, accurately states the relevant facts and law. Therefore, the findings and conclusions of the Report are adopted as the Court's findings and conclusions, and on this basis plaintiffs' Motion for Default Judgment is GRANTED, and it is hereby ORDERED that the plaintiffs' proposed Order and Judgment will be entered.

The Clerk is directed to enter judgment in the plaintiffs' favor pursuant to Fed. R. Civ. P. 55 and forward copies of this Order, along with the Order and Judgment by Default to counsel of record for plaintiffs and to defendants at the addresses listed in the case file.

Entered this 20 day of October, 2015.
